

Meyer Sound (BOOTH: #1F120)

is inviting you to Integrated Systems Europe 2010 – the biggest professional AV tradeshow in Europe.

ISE 2010 will have more to offer industry professionals than ever, including:

- New technologies from over 500 exhibitors in eight halls of the Amsterdam RAI
- Many new features and pavilions, including a second Digital Signage area in Hall 10
- More professional audio, building automation, collaborative conferencing, and residential systems exhibits than ever before
- Extended education programmes from our supporting associations, InfoComm International and CEDIA
- A great range of networking events where you can mix with business contacts old and new

Pre-register NOW using this invitation code,
and you'll get free admittance to the show –
SAVING UP to 40 Euro!
